Philips
TV antenna

UHF/VHF/ FM

Indoor 42 dB amplified

SBCTT950

Recieve analogue and digital TV

with this 42 dB amplified antenna

This unique antenna is motorised to conveniently remotely adjust position of the dipoles and UHF element over 100 degrees for optimum reception. Works with any remote control.

Enjoy more programming choices

- 42 dB amplification
- External antenna switch

Improve your picture quality

- Low noise amplification maintains signal quality
- Rotary gain control to adjust amplification

Easy to position

- Weighted base for excellent physical stability
- Optional DC 12V power source

Sleek, contemporary styling

- Sleek design lines compliment today's new TVs
- Compact design fits virtually anywhere

TV antenna
UHF/VHF/FM Indoor 42 dB amplified

SBCTT950/05

Technical specifications

Technical specifications
- Safety standards: According to EN 60065
- EMC standards: According to EN 89/336/EEC

Tuner / Reception / Transmission
- Aerial output: 75 ohm coaxial (IEC75)
- Antenna type: Telescopic, Spiral loop
- Gain (antenna + amplifier): 36 dB
- Tuner bands: UHF, VHF

Power
- Battery type: AAA, LR03
- Mains power: 12V DC or 2x 1.5V batteries
- On/Off switch
- Power consumption: 5mA W

Accessories
- User manual

Product highlights

42 dB Amplification
42 dB amplification boosts weak signals, expanding your reception range and allowing you to receive more signals over a greater distance.

External antenna switch
Internal/external antenna switch allows you to switch easily between your external antenna and your cable system for more programming choices.

Low noise amplification
Together with the adjustable amplification, low noise amplification ensures you of a great reception range and improves the quality of your signal.

Rotary gain control
The rotary gain control allows you to easily adjust the antenna's amplification for optimum reception.

Weighted base
The weighted base stabilises the antenna's position so you enjoy more positioning choices.

Optional DC 12V power source
Optional DC 12V power source allows you to choose to plug antenna into your vehicle's cigarette lighter.

Design lines compliment TVs
Simple, elegant design lines compliment today's new TVs.

compact design
Compact design allows you to position the antenna virtually anywhere.
